The selection procedure of Pakistan team for International Young Physicists Tournament comprises of three stages. In the first stage there are six regional competitions. These regional competitions will be held each in four provinces, one in the Federal District and one in Federally Administered Northern Areas and Azad Jammu and Kashmir Territory.

These are named as Balochistan Young Physicists Tournament (BYPT), Federal Young Physicists Tournament (FYPT), Khyber Pakhtunkhwa Young Physicists Tournament (KPKYPT), Kashmir and Northern Areas Young Physicists Tournament (KNYPT), Punjab Young Physicists Tournament (PuYPT) and Sindh Young Physicists Tournament (SYPT).

Initially all regional teams will be allotted 5 problems out of total 17 problems and in the regional competition top 3 teams will be selected from each region. This competition will take place in November.

These eighteen teams will be given 5 problems from remaining 12 problems and they will meet in Islamabad in February. Out of total 18 team members top eight will be selected on merit.

These eight will be assigned 5 problems out of remaining 7 and then in the final selection in May 2017 final team of best five be selected for IYPT.

The bodies will be formed one representing each region and one executive body. The executive body will comprise of heads of regional bodies and three to four other members. Among these four, three will be technical persons and one will be the person taking care of Finance and Administrative issues.

The venture will be totally non-profitable. The funds will be generated from governmental sector, donations, registration, media and celebrities.
