

# *International Young Physicists' Tournament*

---

**IOC annual meeting  
Seoul, Korea,  
12<sup>th</sup> – 13<sup>th</sup> July 2007**

## **Minutes**

IOC delegates present from countries:

Sweden, Slovakia, Switzerland, Germany, Austria, Korea, Croatia, Australia, Bulgaria, Hungary, Indonesia, Kenya, New Zealand, Nigeria, Poland, Russia, The Netherlands, Ukraine, United Kingdom, USA, Brazil

### **1. Guidelines and juror grading sheets**

The usage of juror grading forms was broadly appreciated. However, the guidelines should be revised, and all jurors and IOC members are requested to submit their comments in written to John Balcombe not later than on 15th September 2007. EC will discuss all comments and suggestions during its meeting on 26<sup>th</sup> and 27<sup>th</sup> October in Vienna and suggest a revised version of the documents. IOC will strongly suggest to LOC of IYPT 2008 to incorporate the grading sheets into the grading process.

### **2. Auditors**

IOC elected John Balcombe, IOC representative of United Kingdom, to an auditor. Second auditor is Paul Haines, IOC representative of New Zealand, elected in 2006.

### **3. Balance and budget**

The balance of year 2005/2006 was approved after the report of the treasurer and auditors. The budget for the year 2006/2007 was approved.

### **4. Web page**

On the EC meeting in October 2007 offers for hosting and webmastering of [iypt.org](http://iypt.org) webpage will be presented. EC is entitled to select the webmaster and the hosting up to the approved budget limit. The webpage should be prepared and working not later than by the end of the calendar year 2007.

### **5. IYPT 2008**

Exact dates of the tournament in Croatia will be announced via the Secretary General to all IOC members not later than by the end of July, 2007. EC wants to receive a detailed plan (offer) for the organization, including information about accommodation, fight rooms and budget not later than 15th September.

### **6. Future IYPTs**

Invitation letters will be sent to countries which may be interested to organize IYPT in the future (China, UK, Indonesia, Bulgaria, New Zealand). Countries interested to organize the IYPT 2009 should present a detailed offer to EC via Secretary General not later than 30<sup>th</sup> September.

### **7. Statutes**

A new version of the statutes of IYPT (in French) was approved. It was also approved that the legal site of IYPT will be in Mulhouse, France.

### **8. Problems**

Problems for the year 2008 were selected. No further refining is needed and they may be distributed freely.

### **9. Change of regulations**

The Regulations of IYPT were changed in the articles II, IV and VII. The current version of the Regulations is attached.

# *International Young Physicists' Tournament*

## **10. Recognition letters**

Subject to the rules below IOC decided to issue recognition letters to IYPT organizations in Australia, Indonesia and Slovakia. The recognition letter for POISK center in St. Petersburg, Russia, will not be issued as IOC could not decide about their role in the organization of IYPT, Russia.

To prevent misunderstandings in the future, EC will prepare minimum standards of a national organization to be recognized by IYPT. Every organization requesting recognition will have to provide information about the organization of IYPT on the national level, selection procedures of their team for IYPT and fees policy. No future recognition letters will be issued till these standards are discussed and approved by EC and IOC.

Secretary General  
Dr. Martin Plesch

President  
Prof. Gunnar Tibell
